

Member Blocks

We would like to invite everyone to make a 12" block to be displayed at our April 2010 Membership Party on April 12.

The guild is the sum of its members. The purpose of the member blocks is to visually represent who we are. It's an opportunity to get more involved in a fun way. Be yourself! Be creative! Show who you are and what you like. Let the real you come out. Show your favorite quilting style; use your favorite techniques, colors, and embellishments.

GUIDELINES:

1. Make one completed 12" block.
2. Block must have finished edges or binding.
3. On the back, label with your name, date, and Delta Quilters.
4. Be creative!

DETAILS:

As they come in we will display them at the monthly meetings and later, we will put them together as a whole 'Quilt' for April 2010 Membership Party

Turn your block in at the membership table at the monthly meetings or give it to Pennie or Rita .

After the Member Party we will return your block to you if you wish.
